Sub: Universal Account Number (UAN) – Seeding of KYC Details– Regarding.

Dear Employer,

Let me at the outset thank you for your cooperation in the implementation of Universal Account Number. I am happy to note that you have helped the system to capture bank accounts in respect of more than 50 lac bank accounts.

Friends, I have met a number of groups of employers in various cities. I feel that there is slight lack of clarity in the matter. EPFO needs bank account number in respect of all the employees as, we being a financial institution, cannot work without bank accounts. We also need Aadhaar for identification purposes and PAN number for income tax deductions, wherever applicable.

Friends, in various meetings, I have found that more than 80% of the overall employees already have bank accounts. Approximately 60% of the employees have Aadhaar cards. 25% of the employees have got PAN numbers. Therefore to start with, capturing of this available data should not be a problem.

Friends, kindly help us in capturing this available data within a week as we want to announce further services linked to this data. Furnishing of data will save you from future work and present work is not even half of total future work which you were doing.

I would earnestly request you for your help & assistance in the matter. Your suggestions are welcome at e.mail address: cpfc@epfindia.gov.in.

Regards,

K.K. Jalan
